WHAT WE DO

We are using haute couture hand embroidery decoration techniques, like no one ever before. This art&craft affair, has created a key, to new dimension where value is not a number and patience is luxury.

An•Original - we create stand alone furniture only in limited collections of seven pieces.

In•Collaboration - we support leading Architects to fulfil their visions and meet the expectations of demanding, high end Clients. During design&build bespoke-ventures.

Art•Decoratifs - As an artist, Alicia Stanska creates unique pieces of art for art•lovers&collectors.

N • D E C O R

by STANSKA, offers durable hand embroidery as a **N•DECOR StitchStoneTechnology**. Combines master craftsmanship with modern possibilities. It is waterproof, UV-protected, and scratch-resistant. Not a resin. It can be easily shaped and bent to suit your needs. The precise attention to detail in the embroidery makes it suitable for architectural and decorative purposes, whether in commercial spaces or private residences. Perfect solution also for yachts&limo detailing.
