FOR ART COLLECTORS ART•DECORATIVE EQUILIBRIUM OF POWERS

A haute couture unique CrystalArt sculpture was made from more than 110 000 hand-sewn crystals by master artisan Alicia Stanska during Branding Premium Program Crystals from Swarovski, for over 3 years of continuous Art work. Equilibrium of wealth and beauty inspired from human life. Sculpture exposed in 2.5 m high golden metal bras, light showcase as a rotating music box with soft sound sensation. Central big red beating crystal will be connected and synchronised onLine with a heart rate of the owner. First Masterpiece in limited collection of Seven. And yes, It is wearable, if you are thinking of.

FOR ART COLLECTORS
ART • DECORATIVE
L'ÂME DU FAUCON

This masterpiece concept was designed with a hybrid combination of hand embroidery, machine embroidery, and top-class jewelry, featuring elements made using 3D printing technology. Baltic amber and precious stones are set in the perch base, all connected with pure gold. It is intended as art-decorative for true falcon enthusiasts, with the possibility of use in the field.
